### *Feedback Summary:*

- The feedback suggests that the syllabus is generally perceived positively, with a majority of respondents finding it relevant, contributing to personality development, and enhancing employability.
- However, there are areas for improvement, such as addressing local problem-solving and ensuring a more consistent perception of technical knowledge adequacy.

### *Action Taken Report on Employer Feedback:*

- Organise training sections on soft skills and communication skills.
- Recommended Social Work and Psychology Departments to conduct more field visits and counselling.
- Strengthen ties with the industry by fostering partnerships, internships, and industry visits.
- Placement drives have to be conducted with more student participation.
